NAME OF VENUE FEATURES BLUEGRASS MUSIC BY “5 ON A STRING”

On **day of week/ night Date** the **Venue name/ organization**, presents “5 on a String” one of B.C.’s most popular and longest running bluegrass bands. Formed in 1989 this five-man group has some major picking power and promises an exciting, family friendly show. A recent review by Arts and Entertainment editor Alex Browne of the Peace Arch News (White Rock B.C.) stated, “In a 20 year plus history, the members of 5 on a String have continued to honor the historic roots of bluegrass music by bringing their own energy to the classic sounds of Bill Monroe, the Stanley Brothers, and Flatt and Scruggs.” “A tight band with an excellent vocal harmony blend and mesmerizing solo picking skills.”

The band does not stray far from the traditional bluegrass mold with the typical lineup of acoustic Bass, flat top guitar, mandolin, 5-string banjo, and fiddle. The material is mostly traditional too with a few bluegrass styled original songs and the occasional foray into old style country music like Merle Haggard and even one from Fats Domino!
