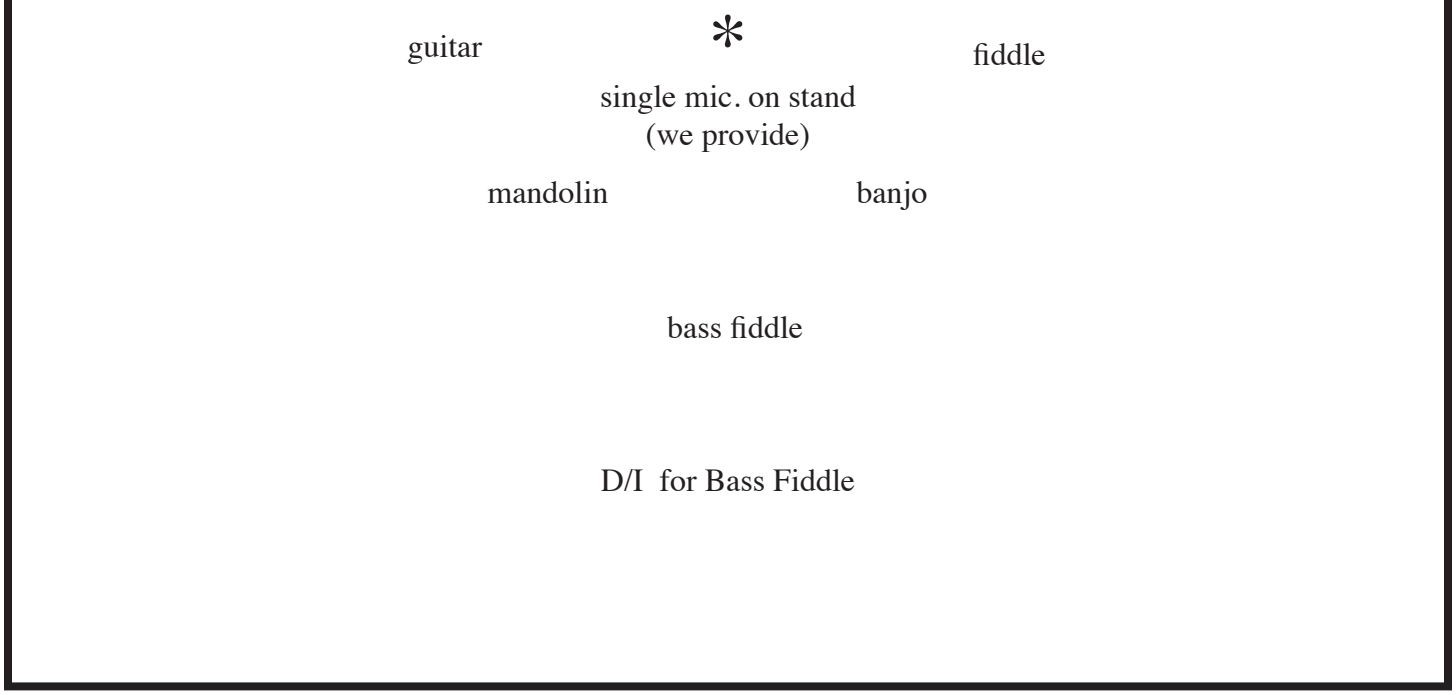
5 on a String Bluegrass Band

Tech requirements and stage plot

Contact: Gordie Sadler cellular- 604 809 9814
Garry Stevenson cellular- 604 340 1342
Hugh Ellenwood cellular- 778 888 0581



We use our own microphone, and we can supply phantom power if your sound system cannot.
We can use our own mic. stand or yours, what ever is easiest.
We would like a D/I input for the bass fiddle
A supply of drinking water backstage would be welcomed if available
